CHAIRMAN'S WELCOME

As I start my third year as your chairman, a role I have thoroughly enjoyed over the past two years which without the friendship and support I have been given would have made this a daunting task, and I will continue to uphold my position in our centre with the highest esteem.

For new and old CAMC members, that are considering joining the Wiltshire Centre for a weekend or holiday rally, you will find centre members will extend you a warm and friendly welcome and give you assistance should this be required.

The Wiltshire Centre is celebrating its 60th Anniversary over the May bank holiday from the 2nd – 6th May at Charlton Park, details of how to book can be found on page 23 or the website.

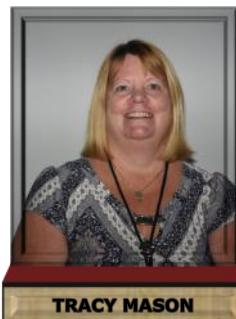

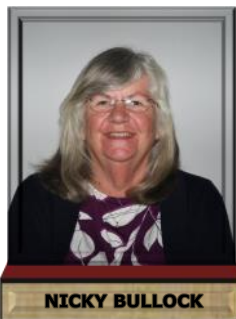

The centre can only function with members volunteering to join the committee and/or organising rallies. This is the first time during my chairmanship that we are entering a new season with a reduced committee and as evident with the number of reduced rallies available to book, dictates that this coming year is already proving that for the centre to continue to be viable that we need more members to step up and ensure we don't end up like many other centres that have unfortunately gone into hibernation and ultimately cease to exist, everyone enjoys the weekend or holiday rallies so seriously don't sit back and let this happen because once it's gone its gone.

I would take this opportunity as always to thank our rally officers for supporting the centre and hope all your rallies go as planned.

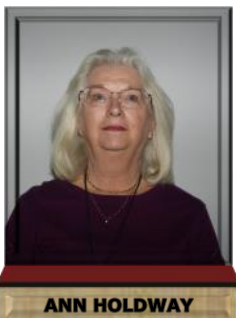

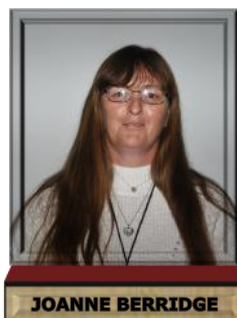

My charity for this year will be Freewheelers, this charity responds in providing free out of hours service to the NHS including doctors and care homes, plus delivering medicines to private houses following discharge from hospital. Essential items carried are blood and urine samples to human breast milk.

So may I wish everyone a successful 2024 rally season and look forward to joining you all once again on the rally field.

Best wishes.
Steve

Rally Secretary's Letter

Hello Ralliers

I would like to thank all the Rally Officers for putting the time and effort into their individual rallies and once again providing us with a varied calendar.

We are all hoping for a fresh start in 2024. Last year we had a good uptake of new members joining the Centre and even some new rally officers. If there is anyone out there who would like to run a rally for the first time and perhaps you're unsure about how to go about it, please feel free to ask anyone who has been a rally officer or myself. If there is anywhere or anything you would like to see in the rally programme for 2025, please come and see me and I will endeavour to put it in the programme for you. I hope you all have a good 2024 rally season.

Thank you again

**Tracy
Rally Secretary**

Reminder to Rally Officers

Rally Officers for the 2025 season are reminded to fill out their proformas and email to the Rally Secretary preferably before the Annual General Meeting.

Please make sure you complete the proforma with all the relevant information required to go on your rally write up.

Please do your best to comply with this as delayed proformas may result in your entry in the Rally Book being missed out and just your venue, date and Rally Officer names being submitted.

A list of Centres rallying within the Wiltshire boundary in 2024 can be found on page 13

ADDITIONAL RALLY BOOKS

These may be purchased at a cost of **£3.00**, postage extra **£2.00**

If you require an additional rally book, please contact the Secretary at nicky.bullock@wiltshirecentre.co.uk for further instructions

WELCOME TO EXISTING AND NEW RALLIERS

A RALLY

A rally is a gathering of Caravan and Motorhome Club members who enjoy weekends away with fun and fellowship thrown in. Your Rally Officers will be people who have organised the weekend and will be the friendly faces that greet you when you arrive.

BOOKING

To book your first rally, fill in a rally slip which can be found online (www.wiltshirecentre.co.uk) with the required information and deposit as detailed in the rally write up, sign and post it to the organising rally officer. If you have to cancel for any reason please contact the rally officers and inform them as soon as possible.

TRAVEL AND ARRIVAL

When your rally weekend or holiday arrives, follow directions in the rally-write up, which will guide you to the vicinity of the rally. When you are close to the site you will see the yellow Wiltshire Centre signs at the side of the road these will guide you to the site (**refer to page 42 for details**). On arrival you will find the Rally Officers waiting for you at the rally office. This will normally be the first caravan inside the site and will be marked with a "Rally Office sign", once you have booked in you will be handed an envelope containing the programme for the weekend, sometimes a competition and of course your rally plaque as a memento of your visit. The Rally Officer will show you to your pitch where you will be requested to park with the front offside corner of your caravan on the marker and to park your car on the offside of your caravan (**refer to page 50, paragraph 9 for details**). You will be shown where the freshwater tap is and the elsan disposal point.

THE WEEKEND/HOLIDAY

The rally may include a social on the Saturday night, which is a family event. This may be a dance, a fancy dress or in the summer a BBQ. This will normally be stated in the rally write-up. Your weekend may also include competitions or games for children or adults alike. All these activities are entirely optional but are always good fun.

Usually on the Sunday morning refreshments will be held. This is a get together of all the ralliers to hear the results of the competitions, to welcome any visitors, to announce forthcoming events and rallies, hold the weekend/holiday raffle and most importantly to thank the Rally Officers for organising and running the weekend.

WHAT YOU NEED

To be a rallier you will require all the usual camping equipment plus a few extras. You must have your own toilet facilities, which must never be taken near the freshwater tap. You will also require a few blocks of wood for levelling your van on sloping fields and a dustbin liner to take your waste home with you.

FINALLY

Please do not arrive any earlier than the time stated in the rally write-up. There is always a good reason for the opening time stated by the Rally Officer.

Always take a look at your map against the location details provided in the rally write-up, this can save you a lot of time and frustration later on, especially if you are arriving in the dark.

Please, do come along to see what it's all about; we all look forward to meeting you and your family.

The Rally Booking Slip has been revised to include a section to indicate if any member of a rallier's family holds a "Blue Badge", as, given that information, Rally Officers can pre-plan where members will be sited. This may, on some sites, assist such members and make their rallying experience that much more enjoyable. It must be accepted however, that on some sites it is not possible to make any significant allowance for such members.

The Committee would be pleased to hear of any further ideas that could enhance the rallying experience of those with mobility or other issues.

Three Words That Could Save a Life

A company, 'what 3 words', established in 2013 has developed a system for communicating geographical locations within a resolution of three metres. What3words is a really simple way to talk about locations using just 3 words rather than lengthy GPS coordinates which could easily be miscommunicated.

Any location can be written as /// word1, word2, word3 and the words are available in 37 languages with more on the way. What3words (W3W) have divided the whole world into 57 trillion 3x3 metre squares and given each square a unique address that will never change. Many locations in the world don't have an address in the usual format but now every small square in the world has a unique simple address that's easy to communicate.

W3W addresses are easy to say and share and are as accurate as GPS coordinates. The location of the entrance to the what3 words head office in London for example is:-

51.520847, - 0.19552100 in GPS coordinate form, or **///filled, count, soap** which do you prefer?

What3words make sure that similar sounding W3W addresses are a long way apart so that if a W3W address is entered slightly incorrectly, and the result is still a valid W3W reference, the error will be immediately obvious. For example if the London address in the previous paragraph was mistakenly given as **///filled.countS.soap** you will find it in Oregon USA!

Some manufacturers such as Ford, Mercedes, Jaguar and Land Rover are adding W3W into some Satnavs for voice input. W3W is now also widely used by 62 emergency services and the list is growing all the time, as its invaluable for accurately locating those in need, especially when out "in the middle of nowhere" as we ralliers often are.

In addition to emergency services you may find such addresses useful for locating friends, maybe on a beach or in a caravan or tent, on a site or outdoor event. Imagine trying to find a friends tent at somewhere like Glastonbury Festival! Now you can. You can use W3W addresses on a computer or tablet or on a smartphone just download this app on to your smartphone or android.

With the smartphone app you need to have a good GPS signal, but you don't have to have mobile data available to find your W3W address. Similarly, when out in the open the app allows to navigate to a W3W address using your phones compass; the accuracy is only limited by your device.

You cannot currently type these W3W words into Google Maps but you can enter them into the what3words app or website for viewing or navigation.

You will find more information and examples of usage on the what3words website: www.what3words.com in the business and about us sections. It's well worth a look.

WILTSHIRE CENTRE - PAYMENT FOR RALLIES

Rallies may be paid for in the following ways:

- a. General deposit – a standard payment of £10 paid at the time of booking, or
- b. Full balance paid prior to arrival at the rally (or a remaining balance).

In both instances, Bank Transfer (BACS/Faster Payment) is the preferred method of payment, in order to keep Bank charges to a minimum. Please contact the Treasurer or the Rally Officer if this causes a problem.

It is important the Treasurer and the Rally Officers concerned know who, and how much, has been paid on each occasion, so that reconciliation of the Rally Accounts and the Centre bank accounts can happen as quickly as possible.

Please follow these steps:

1. Make the payment to: CAMC Wiltshire Centre

Sort code: 40-08-28

Account number: 81541072

Reference: Rally # (insert rally number from Rally Book or website booking reference).

2. Send an email to: treasurer@wiltshirecentre.co.uk

With the following details: "Paid by Bank Transfer" then.....Your name, amount transferred, date payment made, which rally (date, name and number), purpose (deposit/balance/full payment).

3. Contact the Rally Officer (email/phone/text) with the same information.

NOTE: if this is a deposit/booking for a rally then a Rally Booking Slip MUST be posted/emailed to the Rally Officer.

If you are unsure of how much to pay, please contact the Rally Officer before commencing this process.

Failure (or a delay) in sending this information, will cause confusion and a large amount of work trying to track down information for the Rally Officers concerned and the Treasurer.

Please remember, all those running a Rally and the Committee are volunteers who give up their free time to enable us to rally, and an additional workload is unfair.

COULD YOU BE A RALLY OFFICER

So that we may enjoy our rallies to the full we need Rally Officers to help run them. We hope that the following guidelines will help you to decide that supporting the Centre in this way is well worth doing. If you feel that you can help us in this way, please contact our Rally Secretary.

Please remember it is your rally and you can make it as simple or as complicated as you wish. It is not a competition to see who can make the biggest rally. Whatever you plan, you can be assured that the Rally Secretary or any Committee Member will be willing to help and offer any advice that you may need.

VENUE

Contact the venue to book the rally. Once date and price is agreed, fill out the rally confirmation form (found on the proforma file, this will be supplied by the Rally Secretary) and ask the venue to sign it and return it back to you. Keep this signed confirmation as it is the agreed contract with the venue.

RALLY PLAQUES

Rally plaques need to be ordered from the Plaque Officer at least 21 working days before the rally.

THE EQUIPMENT

Rally signs:
These need to be put up as they direct ralliers to the site.

Centre sail:
Not always required on a commercial site, but it will help ralliers to find you on a large site

Other signs:
Dogs on lead, Rally Office etc need to be displayed.

Pitch markers:
These mark out the pitches for the units.

Some of these items are usually passed from rally to rally but if that has not been possible, the Equipment Officer will be holding them. The Equipment Officer will contact you a few weeks (approx) before the rally asking what equipment is required.

PRIOR TO THE RALLY

You will need to acquaint yourself with the site. This will enable you to plan the siting of the caravans/motorhomes and know where the fresh water and elsan points are. When siting caravans/motorhomes please remember the 6 metre rule. The committee's recommendation is 9 metres minimum for simplicity (peg to peg).

You will need an attendance sheet from the accounts package showing the ralliers attending and any visitors who attend the rally venue. If you are not sure how to do the paperwork, please ask the Treasurer or any member of the Committee who will be pleased to help.

RALLY TIME

Arrive in plenty of time to get yourself sited preferably by the entrance to the rally so that people may see you as they arrive, check the equipment, get the signs out, peg the field out if needed and get the centre sail up. Then relax until the ralliers start to arrive.

COULD YOU BE A RALLY OFFICER (Cont.)

As a Centre we are well known for a cheerful welcome. As ralliers arrive, tick them off the attendance sheet so that you know who is in and how many more units to arrive. As members are directed to their pitch, it is also an opportunity to give directions for the freshwater supply, waste point and elsan point. When the ralliers pay hand out any other paperwork or rally information you may have created. You will be given envelopes by the Rally Secretary.

Unless you have made special plans for the rally such as competitions, games or any entertainment, you can now relax and enjoy the rally. Do make yourself available to act as host/information point especially as there may be first time ralliers or CAMC ralliers from another centre who want advice as to places to visit/walk etc.

REFRESHMENTS AT 11.00AM (NORMALLY SUNDAY)

Rally Officers to invite ralliers to come together at a central point, around 11.00am on the last day of the rally, typically near the rally office. It is normal practice to supply tea/coffee and biscuits but this is up to the Rally Officer.

The Rally Officers thank the ralliers for coming and give out the results of any competitions that you may have run. The Chairman or a member of the Centre Committee will present the Rally Officers with a memento for running the rally.

If you are unsure of running a rally, ask someone else if you can assist them first to get to know how running a rally works and then hopefully you will run one yourself.

AFTER THE RALLY

As soon as practicable after the rally, complete the accounts and pay in any money to the bank account and return the receipts (if any) to the Treasurer. If in doubt when completing the accounts, ask the Treasurer.

Unless the rally equipment is being passed to someone else, please return it to the equipment holder where you obtained the equipment. If there are any issues with any part of the equipment, please inform the Equipment Officer.

The legal requirement for towing mirrors is to allow you to see clearly an area that is 4 metres wide from the side of your caravan for a distance of 20 metres behind the driver.

As a caravan is wider than a car and large 4x4 to ensure compliance with the law, towing mirrors are essential.

Failure to comply could result in a fine and **3 penalty points**.

PITCH SPACING RULES RELATING TO RALLIES

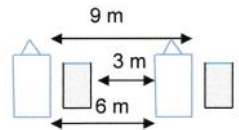

The symbol  represents EITHER a caravan OR a motorhome.
 The symbol  represents a tow car, and the symbol  represents an awning OR tent.

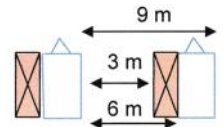

Minimum Spacing: The minimum spacing between facing walls of adjacent motorhomes and caravans (the unit) is to be 6 metres. Given that the maximum allowable motorhome/caravan width is 2.55 metres this means a minimum peg-to-peg distance of 8.55 metres. **The committee's recommendation is 9 metres minimum** for simplicity.

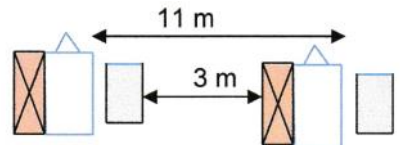

Clearances: There must be 3 metres clear between "outfits" where the outfit includes the "unit", car and awning or pup tent. Taking the case of a rally where no awnings/tents are allowed, then the 9 metre peg spacing is sufficient, as the maximum width of a car is 2.55 metres.

If cars are parked remotely and awnings/tents are allowed, then providing the awning/tent is less than 3 metres deep, and most are, then the 9 metre peg spacing also works.

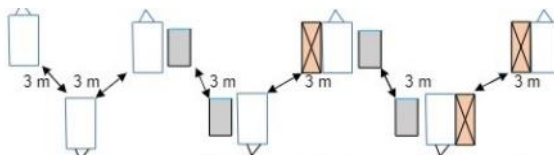

If cars and awnings are both allowed, the peg spacing should be 11 metres minimum to provide the 3 metres between outfits

Roadways: As most units are around 7m in length, with a few of around 8m, **the Committee recommends a minimum of 14 metres** between peg rows.

This ensures a decent access road to all pitches, and eliminates the necessity to "drive through lines". It also ensures simplicity in adhering to the rules above.

WILTSHIRE CENTRE RULES RELATING TO RALLIES

1. Any site or part of a site on which a Rally is held shall be for the exclusive use of members of The Caravan and Motorhome Club's caravans. The attendance at the site and/or payment of Rally fees shall be the acceptance by the Members of these rules

25. All monies raised for any charity at any Centre events must be paid to the Centre Treasurer so that the donation can be made in the name of the Centre and a receipt obtained.
26. Deposits for Rallies shall be governed by the criteria published in the "Terms & Conditions" applicable to rally bookings, and published **on page 53** of this booklet.
27. Generators in caravan lines shall only be permitted to run on a rally between the hours of 10:00am until 12:00 noon and 5:00pm until 7:00pm as long as they are suitably silenced in order not to cause annoyance to other Members.
28. E-Cigarettes and other "vaping" devices will be treated in the same way as tobacco products, and any restrictions on tobacco products will also apply to E-Cigarettes and other "vaping" devices.
29. There is to be no driving between units, and/or the markers for units, unless expressly instructed to do so by, and under the strict control of, the Rally Officers. All vehicular access is to be along the designated rows only.
30. Amendments to these Rules shall be by Proposal and Vote at AGM, however the Committee may make Temporary Amendments which must then be ratified at the next available AGM.

RALLY BOOKING TERMS AND CONDITIONS

There are two types of rally deposits:

- a. Pre-payment (pre-paid) – where either the full payment or a large proportion is required before the rally.
Or
- b. General deposit – a standard payment of £10 is required for all other rallies.

In both instances, Bank Transfer (BACS/Faster Payment) is the preferred method of payment, in order to keep Bank charges to a minimum. Please contact the Treasurer or the Rally Officer if this causes a problem.

PLEASE SEE "PAYMENT FOR RALLIES" PAGE 15 FOR FULL DETAILS.

Pre-payment (pre-paid) deposits

1. This may be the entire cost of the rally or just the Social event organised at that rally. This may range from 50p up to the total cost.
2. All pre-paid deposits will be refundable **less any expenses incurred on behalf of the rallier.** This may range from just the admin fee to any costs incurred for any Social event tickets that the rally officer is unable to resell.
3. Any pre-paid deposits paid by cheque should be banked and forwarded to the Treasurer without delay and are not to be held by the Rally Officer. Cheques are not valid if post-dated.

General deposits

1. The deposit paid will be used as part payment towards that rally if paid by Bank Transfer.
2. If paid by cheque, this can be dated to the start date of the rally, or left blank, and used as part payment or returned to the rallier upon arrival at the rally.
3. The deposit will be banked as a "forfeited deposit" if cancellation is made within 14 days of the rally, or in the event of a non-arrival.
4. If cancellation is made more than 14 days prior to the rally, or in the event of the Rally being cancelled by the Committee (Rally Officer) due to weather or any other circumstances, mutual agreement is made for the return of the deposit (via the Treasurer, Rally Officer and Rallier). This is on the assumption that no other costs have been incurred on behalf of the rallier.

Deposits for the following years rallies paid at the AGM may be paid either by BACS (preferred method) or via a dated/undated cheque.

If you cancel a rally due to ill-health or bereavement, the Centre Committee will consider a full refund, if so requested. This will be at the Centre Committee discretion and considered on a case by case basis.

All members booking a rally undertake to reimburse the Centre for any expenses incurred on their behalf that are not covered by any deposit amount, whether they attend the rally or not.

All members booking a rally undertake to abide by the CAMC and Wiltshire Centre rules and regulations.

All members booking a rally accept that **THE ORGANISERS ACCEPT NO RESPONSIBILITY FOR THE PROPERTY OF PEOPLE ATTENDING THE RALLY.**

RULES AND CONDITIONS FOR CENTRE TROPHIES COMPETITIONS

Any member attending a Centre Trophy Competition must be a bona fide member of the Rally at which the competition is being held, (with the exception of the Pickwick Shield, see Rules). In the event of outfit (caravan, motorhome or trailer tent) failure within 48 hours of the Rally and as long as the deposit and site fees have been received and not refunded, the member is permitted to take part in the competition. Entry into any of these competitions acknowledges acceptance of these rules.

Competition voting ages for children will be 5 to 17 for voting on children's competitions. They will have to be 18 and over to vote on adult competitions.
